

WIN a £200 voucher, plus a set of silicone hoses

Bell Auto Services

have provided a £200 voucher towards a remap of your vehicle plus a set of Silicone Hoses for your engine.

A BAS remap will instantly give you between 30 and 50bhp improvement in usable power (depending on vehicle and engine) with similar boost in torque figures, very useful if you do a lot of towing.

The remap will also give you more low-down responsiveness and the exact map used by BAS can be tailored to your requirements to give more speed and raw power or just extra torque and fuel economy.

The remapping process can be carried out in-house at BAS HQ near York or by utilizing a BAS Remap Interface for remote remapping (extra costs apply) so you don't have to worry if you cannot get your vehicle to their workshops.

About BAS . . .

BAS specialise in Diesel and performance tuning for most Land Rover vehicles. Over the past twelve years they have remapped every flavour of Land Rover from the Td5 onwards, including the 2.4 TDCi Puma Defender.

They are not limited to tweaking the ECU and also offer performance exhaust systems and have a fully kitted workshop to carry out any modification that the customer desires.

For older, non ECU, engines like the 300 Tdi they offer many tuning enhancements including a VNT Turbo, silicone hoses, larger intercoolers, etc.

You can enter online:

www.landroverworld.co.uk

or complete the on-page form

(postcard data will be entered under the multi layered Privacy Notice Kelsey operates and must contain all of the information below).

Closing date for the competition is: 30th June 2012.

To enter the competition all you have to do is answer the following question:

Q. How long have BAS been remapping Land Rovers?

A
